Submitted to His Highness.

The accompanying papers relate to the question of sanctioning an additional grant to cover the several items of expenditure incurred in connection with my deputation to attend the Second Indian Round Table Conference in London.

2. It has been calculated that the total cost on this account comes to about Rs.59,800/-. Deducting a sum of Rs.5,300/- expected to be paid by the Government of India, the net extra cost to the State would amount to about Rs.54,500 (or 55,000 in round figures). Gracious approval of His Highness is solicited to place a Supplementary Demand for the amount before the next Session of the Legislative Council.

Schedule of Demands for Additional and Supplementary Grants for 1931-32
submitted to the Legislative Council.

(1932 June Session).

Number of Original Demand	Head of Account	Amount	Remarks	Amount	Result of vote
		Rs.		Rs	
	1 Land Revenue 2 Charges of District Administration iv Record of Rights	1,73,000	In the Budget a sum of Rs. 1,22,000 was provided for expenditure on this scheme and this was expected to be covered by the fee receipts. The revised budget of receipts and expenditure was submitted by the Revenue Commissioner in December last and it was reported that the total amount required for the scheme during the current year would amount to Rs. 3 lakhs. An additional grant of Rs. 1,73,000 is therefore required for pushing on the introduction of the Scheme in the State. Rs. 1,73,000	1,73,000	
	9 (1) Interest on debt— 12 Miscellaneous (i) Management of debt (ii) Contingencies.	4,500	The budget of voted items under this head provides for an outlay of Rs. 16,64,500. According to the Revised the expenditure is likely to reach 16,69,000. The excess is due to the payment of interest on overdrafts with Banks, for which no provision was made. This is an inevitable charge incidental to treasury operations and has to be admitted. Rs. 4,500	4,500	
	12 General Administration— a Dewan and Members of Council— Other charges.	54,500	In the Budget of the current year, no provision could be made for meeting the expenses connected with the deputation of the Dewan to the Second Round Table Conference at London. The actual expenditure has amounted to Rs. ~~52,000~~ of which a contribution of Rs. ~~4,800~~ is expected from the Government of India. The balance of Rs. ~~5,200~~ has to be provided for by means of additional grant. Rs. ~~5,200~~	~~54,500~~ 53,200	
	XXVII Iron Works.	1,68,000	In framing the Budget of the current year, no loss was anticipated in the revenue account of the Iron Works. But it is now reported that the works expect a loss of Rs. 1.68 lakhs in the operation account of the year and sanction to this write off is necessary. Rs. 1,68,000	1,68,000	
	23 Other advances— Advances to Coffee Cess and Experimental Station Fund.	4,21,464	The Coffee Cess and Experimental Station Fund Budget for the year 1931-32 showed a debit balance of Rs 21,464 and this is to be met by an advance from Government. The overdraft is due partly to the fall in the revenue of the Fund and partly to increase in non-recurring items of expenditure, viz., construction of buildings and repairs as also under labour in previous year. The advance to the Fund account has to be regularised by an additional grant.

	29 Industrial Loans... (a) Loans for encouragement of Industries and Commerce.	...	In the Legislative Council Session of December 1931, sanction was obtained for a grant of Rs. 4 lakhs as working capital to the Sri Krishnarajendra Mills. For urgent purchase of cotton during the season—April to June 1932—the management have asked that the working capital may be raised from 4 to 8 lakhs. As a temporary measure as provided in the cash credit agreement, it is proposed to accord sanction to this. Accordingly an additional grant of Rs. 4 lakhs under 30 Loans and Advances is necessary. The working capital loan will be fully covered by floating assets. Rs. 4,00,000	4,21,464
